

Be a VIP...
Vitaly Involved Partner

Dear Parent:

Please volunteer your time and talents to Wooster Christian School. Sharing your skills and working together enhances the quality of education for the students. It also often provides the blessing of friendship as we work together. In the words of Paul to the Corinthians: *“Now to each one the manifestation of the Spirit is given for the common good.” 1 Corinthians 12:7.* Please read this VIP form and check what job or jobs interest you. You will receive any training you may need. If you have a talent or are employed with a company that would donate a service or merchandise to WCS, please put it on the “OTHER” line. **If interested, please complete and return to the school office.** Thank you for a willing servant’s heart.
